Adult Outreach

Programming

The Adult Outreach Program delivers the treasures of the Brant Museum & Archives to your group! Each visit we bring artefacts, copies of photographs and documents, and lots of stories and local history to locations in Brantford, Brant County, Six Nations, and New Credit, taking the museum experience to audiences in the comfort of their own communities.

Our presentations generally last 50 minutes, and are based on monthly themes. Audience members are encouraged to share memories, thoughts, and questions with the group as the presentation goes on. Let us bring the museum to you through our unique and engaging program! Cost for the programs this year are \$40.
