What's Happening

Brant Historical Summer Students

We had so much fun this summer with our camp staff! Thank you to our summer staff for all the hard work you did at camp this year.

Valerie Garrett

Valerie joined our team as the education assistant and came to us with experience from the Hamilton Children's Museum and Burlington Museums. She loves children and is looking forward to a future in educational programming.

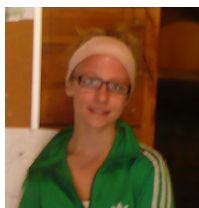

Ashley Rodriguez

Ashley is excited to return as our camp counsellor for her fourth year! She enjoys working with children and is working towards becoming a teacher.

Amanda Clarke

Amanda is part of the St. Leonard's summer jobs for youth program. She has been working in the camp field for many years and last year she was a camp counselor for the Mini-yo- we Camp in Huntsville, Ontario.

Thalia Tangorra

Thalia is also part of the St. Leonard's summer jobs for youth program and particularly enjoys working with children and seniors. Myrtleville was Thalia's first camp experience and has enjoyed helping the younger campers with their craft activities.

Kendra Gerber

Kendra joined the Brant Museum & Archives as our Curatorial Assistant this summer. A Wilfred Laurier University Classic's student, Kendra has been working our digitization and inventory project with the BHS collection. She is returning to school in September and hoping to continue her education towards a degree in Museum Studies.

From the Director's Desk

Let me begin this note by thanking all of the summer staff who helped us achieve so much over the last few months. At Myrtleville House Valerie Garret and Ashley Rodriguez ensured that all of the summer campers had fun learning experiences while making new friends along the way. Kendra Gerber applied herself to bringing more order to the Charlotte Street collection getting material rendered into the catalogue and carrying on the digitization process.

We are moving toward packing the collection in an orderly manner by applying for grants to hire four contract staff for a ten month period beginning in September. These people will help us prepare to move the collection to a new site as one becomes available.

Now that summer is slipping away and cooler autumn nights approach, the Museum will be switching gears to offer seasonal appropriate programming. The Harvest Fest will be held at Myrtleville House again this year and a new programme will be launched from this location in October. The Autumn Cemetery Tour will explore some of the more fascinating, and lesser known, burial grounds in Brant County. And don't forget that our Speaker Series continues on a monthly basis at Charlotte Street until November.

Another not-to-be missed favourite will be coming to town on September 21 as Doors Open Brant welcomes you to over 20 sites across both the city and county. For more information on any of these events please refer to the Events column, check out our website (www.brantmuseum.ca) or give us a call at 519.752.2483. Come on out and support your museum!
